The Surf Champion
Badung · Learn to surf with the 5th times Asian Champion

Sports experience
Hosted by Moly

2 hours total

Drinks

Offered in English

People are eyeing this experience. Over 104,900 people have viewed it this week.

About your host, Moly

I've been surfing for more than 20 years. I used to join the surf competition and I won 5 times national champion and 2 times Asian champion. I surf almost everyday and I know all of the surf spots in Bali, and outside Bali - like Java, Lombok, and Sumatra (Mentawai). I love to share my passion with people who want to try surfing , as well as experienced surfers.

What we'll do

Jump right into the action of your best surf session ever!No matter if you are beginner, I will take you to a safe surf spot where I'll teach you the basics so you can ride your first waves, oh yeah! And for the intermediate - advanced surfers, I will guide you to the surf spot according to your level and the weather conditions. Be prepared to catch one of your best waves in Bali!

Where we'll be

If you are beginners, for the safety reason I'll take you to kuta beach only. If you are intermediate-advanced surfer, I'll recommend you some surf spots according to your surf abilities and the weather conditions - where hopefully, with the less crowd in the water :)

Where we'll meet
Bali Bakery Kuta - Kuta Village, Badung

Moly is an amazing surf teacher. She spotted my mistakes super quickly and provided the right advices. In one lesson I progressed so much that I can go alone again and catch nice waves.

Ella
January 23, 2018

We had a superb surfing session with Moly! She taught us A LOT (and we have had lessons before) and was endlessly patient and enthusiastic. Would recommend a lesson with her, whichever level you are at!

```css
header {
    display: table;
    height: 80px;
}

.branding, .search, nav {
    display: table-cell;
    vertical-align: middle;
}
```

```css
.branding {
    width: 7%;
}

.search {
    width: 50%;
}

.search input {
    line-height: 2.7;
}
```

```css
.nav {
    width: 43%;
}

header nav a {
    /* Still need padding and
       display properties on links
       to get nice big touch areas
    */
}
```
