

## Content Audit

### Art Blog/Portfolio of my art writing

- Home page
  - About
    - Contact form
      - need to create
    - Resume
      - done
    - Blurb about my work
      - need to create
    - Picture of me
      - need to find
  - Audio Guides/Transcripts (4 sets of 2, 8 in total)
    - High res pictures of each work
      - 8 pictures in total, already have access to
    - Transcripts- legible font for users to follow along with
      - 8 in total, already have done
    - Audio- need to figure out how to link audio
      - 8 in total, already have done
    - Pictures of space/show- pull from trustman instagram? Need Helen's permission?
      - Need to find
  - Artist Spotlight
    - Allison Tanenhaus interview transcript
      - already have done
    - Not all my work, need to credit Kaitlin and Cat
  - Visual Analyses (pull from 3 art history essays)
    - High res images of work
      - Need to find- museum databases?
    - Short essays featuring visual analyses
      - already done- need to pull from google drive and organize
      - Might want to edit to make them shorter/more readable to my ideal user
- Ideal user: someone looking to hire me
  - Want them to see my writing/recording skills
  - Want them to see my commitment to accessibility
    - Art should be something accessible to everyone
    - I want my work to be approachable by those who don't know art well
